CONSENT LETTER MOTION

RE: United States v. Tonya Thomas (Rose, et al), 19 Cr. 789 (PGG)

Your Honor:

I am writing again to request a two-week postponement of the sentencing hearing date (now scheduled for May 31, 2022), based on the unexpected development that my client has an active case of Covid-19.

I was on the phone with her yesterday, and she sounded very ill. She tested positive on Saturday and has been home sick. While we spoke she was coughing a lot, and definitely still has symptoms. (Note that I, myself, just got over a bout with covid that took 8 days or so -- I tested negative Monday but I also have some lingering symptoms).

Therefore I am seeking a postponement of the sentence by at least 2 weeks so she (and I, for that matter) can be fully back to health before the hearing. I would note that June 6 and 7 and 13 are not good for me (because of medical appointments).

I have consulted with AUSA Louis Pellegrino and he has no objection to this request.

I thank the Court in advance for Your Honor's consideration of this application.

Sincerely,

/s/ Thomas H. Nooter
